Profile

Hands-on and hardworking engineering student with a strong interest in problem-solving and practical work. Experienced in teamwork, leadership, and customer-facing environments through Scouting and engineering projects. Comfortable in fast-paced settings and proactive in taking responsibility.

Education

Stone Lodge Sixth Form – 2024 – Present

- Subjects:
 - A-Level Business
 - Level 3 National Diploma in Engineering (Double BTEC)

Gravesend Grammar School – 2019 – 2024

- GCSEs including English Language (7), Maths (6), and Triple Science.
- School Certificate in Philosophy (Northeastern University London & Cranleigh School) - (7)

Experience

Workshop Mechanic – MK Sportscars – 14th – 18th July, 2025:

- Assisted in the build and assembly of specialist kit cars, gaining hands-on mechanical engineering experience.
- Carried out maintenance, inspections, and preparation of a bike-engine vehicle for track use.
- Developed problem-solving, teamwork, and adaptability in a fast-paced workshop environment.

Young Leader – Elm Cub Pack (Scouting) – 2020 – Present:

- Delivered weekly sessions for Cubs (aged 8–10), including activities, games, and workshops.
- Took responsibility for managing resources, planning evenings and ensuring safety which helped to build confidence and leadership in a live environment.

- Presented at AGMs, speaking to large audiences including parents and leaders, helping to improve my public speaking in a formal setting as well as overcome my stutter.

Awards & Achievements

- Chief Scout's Platinum
- Head Student at Stone Lodge School
- Business Studies Excellence Awards (Year 9, 10 and 12)
- Engineering Excellence Award (Year 12 x2, End of Term and End of Year)
- Matt Smith CAD award (Year 12)

Skills & Extracurriculars

Engineering & Technical

- Built an off-road buggy, two kit cars, and contributed to a twin-engine Fiat 500
- Confident with mechanical fitting, basic welding, and safe use of workshop tools
- Experience with CAD and practical problem-solving on real projects

Leadership, Teamwork & Responsibility

- Scouting Young Leader, delivering and assisting with weekly sessions for Cubs (8-10 year old's)
- Public speaking at AGMs, events, assemblies, and open evenings.
- Head Student at Stone Lodge Sixth Form, representing students and supporting staff across the school

Enterprise & Initiative

- Designed, 3D printed, and sold custom products for school sports teams
- Experience reselling items online (eBay, Facebook Marketplace, Vinted), managing listings, communication, and logistics

Additional

- First Aid trained
- Attended two international Scout camps, building independence and adaptability
